

Date: **February 6, 2007**

To: Honorable Chairman Bruno A. Barreiro
and Members, Board of County Commissioners

Agenda Item No. 8(P)(1)(D)

From: George M. Burgess
County Manager

Subject: Resolution Authorizing the Conveyance of Nine (9) Right-of-Way Parcels and the Execution of Three (3) Permanent Construction and Maintenance Easements and One (1) Aerial Easement to the Florida Department of Transportation (FDOT) for Road Improvements to State Road 826 Palmetto Expressway and State Road 836 Dolphin Expressway from NW 87 Avenue to NW 57 Avenue

RECOMMENDATION

It is recommended that the Board of County Commissioners (BCC) approve the attached resolution authorizing the conveyance of nine (9) right-of-way parcels and the execution of three (3) permanent construction and maintenance easements and one (1) aerial easement to the Florida Department of Transportation (FDOT) for road improvements to State Road 826 (Palmetto Expressway) and State Road 836 (Dolphin Expressway) from NW 87 Avenue to NW 57 Avenue.

BACKGROUND

FDOT is proposing improvements to the Palmetto and Dolphin Expressways Interchange from NW 87 Avenue (Galloway Road) to NW 57 Avenue (Red Road). FDOT requested that the County formally convey portions of County right-of-way needed for the project and grant the aerial easement and permanent easements necessary for the construction and maintenance of the proposed bridges.

FDOT has already acquired the private properties abutting the right-of-way parcels that are going to be conveyed; therefore, this conveyance will not hinder traffic flow in the area. In addition, FDOT will provide T-turnarounds at the end of the right-of-way parcels affected by this conveyance and noise walls at the abutting lots. The project (FDOT Project No. 249581-14201) includes the addition of many new traffic movements from the Palmetto Expressway to the Dolphin Expressway and the construction of interchange bridges and ramps. The construction is scheduled to commence in January, 2007.

The portion of right-of-way needed by the FDOT was obtained by the County through the following means:

- a) Dedicated by plats: Winona Park First Addition, Plat Book 17, Page 49; Wood Farms, Plat Book 43, Page 49; Corrected Plat of Flagami Second Addition, Plat Book 34, Page 15; Corrected Plat of Flagami Third Addition, Plat Book 34, Page 16; Futura-Expo Subdivision, Plat Book 119, Page 52.
- b) Acquired by Condemnation proceedings: Special Warranty Deed dated August 12, 1959, recorded in Official Records Book 1609, Page 293; Special Warranty Deed dated July 23,

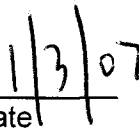

1959, recorded in Official Records Book 1609, Page 305; Special Warranty Deed dated July 23, 1959, recorded in Official Records Book 1609, Page 307; Special Warranty Deed dated September 4, 1959, recorded Official Records Book 1685, Page 206; and Special Warranty Deed dated August 8, 1959, recorded Official Records Book 1685, Page 256.

- c) Dedicated by Right-of-Way Deeds: Right-of-Way Deed dated March 3, 1959, recorded in Official Record Book 1353, Page 521; Right-of-Way Deed dated May 18, 1959, recorded in Official Record Book 1455, Page 146; and Right-of-Way Deed dated January 13, 1995, recorded in Official Records Book 16762, Page 2177.

The parcels are legally described in the Exhibits "A" of the said County Deeds, the easements are legally described in the Exhibits "B" of the said Easements, and their locations are depicted in Exhibits "B1" and "B2" of the attached Resolution.
